Dear Peel Region School Boards,

In advance of schools reopening next week and to increase access to testing for students, school staff and their families, Peel Public Health has partnered with Ontario Health, the Peel District School Board and the Dufferin-Peel Catholic District School Board to offer pop-up COVID-19 testing locations at schools and community sites. Locations have been selected to support high priority neighbourhoods, as identified in the provincial High Priority Community strategy.

Drop-ins are welcome on Friday, February 12 and Saturday February 13. Families are strongly encouraged to bring OHIP cards to access test results more easily.

Testing criteria

Open to any students, staff and their families with:

- symptoms of COVID-19 in the past week, or
- identified as a close contact of someone who had COVID-19 in the past 14 days

Testing locations

Appointments at existing testing locations remain available for booking.
